## FROM DESK OF ORGANIZING COMMITTEE

Dear Friends,

***"I make no difference between work and yoga."***

***Work itself is yoga, if it is done in a spirit of dedication and surrender" - The Mother***

Hope you are in good health and spirit.

At the outset I would like to thank you for your immense support and active participation in JIC every year. With each passing year, JIC has been strongly identified as a great scientific learning experience.

We are glad to announce that our annual **18<sup>th</sup> International Conference JIC-2022** is scheduled during March 25-27, 2022 ([www.jicindia.org](http://www.jicindia.org)). We all know that perhaps, the serious most COVID-19 wave has already passed, but smaller waves cannot be ruled out in the foreseeable future. COVID-19 will keep influencing our present and immediate future. With our strong commitment to academics, we are determined to go ahead creating a smooth system to do a physical (in-auditorium) conference as per the scheduled dates. We will be closely looking at the disease pattern and government guidelines to create a safe ambience for all stake holders.

JIC-2022 has an exhaustive and comprehensive scientific agenda with a strong list of eminent speakers from all over the globe.

JIC-2022 is held in Ahmedabad, one of the fastest growing cities of India. Located on the banks of river Sabarmati, Ahmedabad is richly endowed with architectural marvels of Hindu, Islamic and Jain Heritage.

We look forward to meeting you at JIC-2022.
