## FROM THE DESK OF ORGANIZING COMMITTEE

"When you know the art of living, you will not be a part of the problem but a part of the solution." – **Swami Vivekanand**

Hope you are in good health and spirit.

At the outset I would like to thank you for your immense support and active participation in JIC every year. With each passing year, JIC has been strongly identified as a great scientific learning experience.

We are glad to announce that our annual 21<sup>st</sup> International Conference JIC-2025 is scheduled during January 10<sup>th</sup>-12<sup>th</sup>, 2025 ([www.jicindia.org](http://www.jicindia.org)).

The Journey of JIC started in 2004, joining again 4<sup>th</sup> time with added International Flavor with IACS. JIC-2025 has an exhaustive and comprehensive scientific agenda with a strong list of eminent speakers from all over the globe.

JIC-2025 is held in Ahmedabad, one of the fastest growing cities of India, located on the banks of river Sabarmati.

We look forward to meeting you at JIC-2025.

## MESSAGE FROM THE DESK OF FOUNDING MEMBER, MANAGING DIRECTOR AND GROUP CEO MARENGO ASIA HOSPITALS

Dear Esteemed Colleagues, Healthcare Professionals and Future Medical Leaders,  
It is with immense pleasure and pride that I welcome you all to the 21st Joint International Conference (JIC), hosted by Marengo CIMS Hospital, Ahmedabad, and organized under the esteemed banner of Marengo Asia Hospitals.

Over the past two decades, this conference has evolved from a modest gathering into one of the most anticipated events in the global medical community. The JIC has consistently served as a platform for the exchange of groundbreaking medical knowledge, bringing together healthcare professionals, medical students, researchers, and thought leaders from across the world.

This year marks a significant milestone as we embark on the 21st edition of this conference, further solidifying our commitment to excellence in medical education and innovation. The event promises to be an exciting, thought-provoking, and enriching experience with a diverse array of sessions, lectures, and discussions led by national and international experts. These esteemed faculty members will address the latest advancements in healthcare, innovative technologies, and emerging trends that are shaping the future of medicine.

At Marengo Asia Hospitals, we are deeply committed to not only providing world-class patient care but also nurturing the next generation of healthcare professionals. Whether you're a practitioner looking to refine your skills, a researcher striving to stay at the forefront of innovation, or a student eager to absorb the wisdom of the best in the industry, the JIC conference offers an invaluable opportunity for professional growth.

I would like to take this opportunity to express my heartfelt gratitude to all our distinguished speakers, faculty members, and delegates for your participation and continued support. Your collective expertise, curiosity, and dedication to the advancement of healthcare inspire us all to push the boundaries of what is possible.

We hope this conference will not only enhance your knowledge but also inspire new collaborations and ideas that will drive the future of healthcare forward. Together, we can continue to make a meaningful difference in the lives of patients and communities across the globe.

Thank you once again for being a part of this remarkable journey. I wish you all a productive, engaging, and memorable experience at the 21st Joint International Conference.

Warm regards,

**Dr Raajiv Singhal,**  
Founding Member,  
Managing Director and Group CEO  
Marengo Asia Hospitals

## MESSAGE FROM THE DESK OF GROUP MEDICAL DIRECTOR MARENGO ASIA HOSPITALS

Dear Friends,

Advancements in the field of medicine have always been a testament to human determination, creativity, and the inherent desire to heal and improve lives. Our goal is to bridge the gaps between professionals, foster understanding of new discoveries, and shine a spotlight on the innovations that will shape the future of healthcare.

At Marengo Asia, we understand the importance of such events in reshaping medical landscapes and ensuring better outcomes for all. Let this conference be a beacon of hope and a platform for sharing the collective wisdom of the global medical community.

Gathered here today are minds at the forefront of advanced patient care, medical innovation, dedicated to advancing global healthcare paradigms. The JIC, an annual event of Marengo CIMS Hospital has been a unique conference serving as a convergence point for trailblazing ideas and transformative insights. This gathering isn't just an event; it's a testament to our collective commitment to medical excellence. Today's discourse signifies a step closer to redefining patient care and wellness trajectories.

While the rapid pace of medical breakthroughs dazzles us, collaborations like these truly drive change. The discussions we engage in, the knowledge we exchange, and the bonds we forge will resonate far beyond these walls. Let this conference be where our aspirations for a healthier tomorrow take root and flourish.

Our roles as healthcare providers constantly evolve in this era, where medicine meets technology. Embracing these changes, adapting to new methodologies, and integrating innovations are not just necessities but our duties. As we delve deeper into this conference, our shared passion and dedication may illuminate our path forward. Marengo Asia Hospitals is committed to playing a leading role in these endeavours adopting "Patient First" as our motto.

The organising committee has left no stone unturned to give you a memorable experience. I wish JIC- 2025, the twentieth edition, a grand success.

Warm regards,

**Lt Gen (Dr) AK Das, PVSM**  
Group Medical Director  
Marengo Asia Hospitals
